## NEW WEBSITE ANNOUNCEMENT

[www.WorldWaterWorks.com](http://www.WorldWaterWorks.com)

Dear All,

We are extremely pleased to **announce our recently redesigned website** which will provide our customers and prospects a very user friendly, informative, and interactive medium for learning more about WWW, our [products](#), customer [testimonials](#), [case studies](#), upcoming [events](#), as well as **Requesting a Quotation**.

Website visitors will learn about **WWW's innovative wastewater treatment technologies**. A [Process Flow Chart](#), [www.worldwaterworks.com/product.php](http://www.worldwaterworks.com/product.php), outlines our complete wastewater treatment solutions. For additional details on any unit process, click on the specific icon. Our [case studies](#) are organized by industry and demonstrate the comprehensive applicability of our technology. We are confident that you will find our newly redesigned website very easy to navigate as well as very informative and practical.

There is more to come! WWW will be adding many more case studies in the near term. Access to **generic product drawings, design calculators, and other features** will be added soon, so please be sure to check back!

Please do not hesitate to call us with any questions, feedback, or applications at **1-800-607-7873**. We look forward to the opportunity of working with you on your current and upcoming wastewater treatment projects. **Thank you from your partners at World Water Works!**
